

Gas Turbine World

2016 Editorial Calendar

Print Issue	Deadline	Focus and Feature Coverage	Bonus Distribution
Jan/February 2016 Specs	Ad Close 02.09.2016 Material Due 02.15.2016	2016 GTW Performance Specs. Design rating database for project evaluation of new and upgraded gas turbines available for production this year.	
March/April	Ad Close 03.11.2016 Material Due 03.18.2016	Offshore and land-based Oil & Gas applications, Steam Turbines for combined cycles, Compressors and Recip Gas Engines.	Electric Power April 18-21 New Orleans PowerGen Russia April 19-21 Moscow Offshore Technology May 2-5 Houston
May/June	Ad Close 05.13.2016 Material Due 05.20.2016	Rebuilt and Upgraded Replacement Parts in addition to hot day Power Boost (chiller, water and steam injection, wet compression).	PowerGen Europe June 21-23 Milan ASME Turbo Expo June 13-17 Seoul
July/August Handbook	Ad Close 07.15.2016 Material Due 07.20.2016	2016 GTW Handbook for project planning, engineering, installation, operation and maintenance with reference sections devoted to engineering advances, gas turbine prices, changes in design ratings, global orders and installations, product and service suppliers.	
Sept/October	Ad Close 09.12.2016 Material Due 09.17.2016	Cogeneration and CHP projects and Flexible HRSG projects matched to G, H and J-class gas turbine performance.	PowerGen International December 12-15 Orlando
Nov/December	Ad Close 11.04.2016 Material Due 11.11. 2016	New and converted Combined Cycle power plant projects plus existing plant Control System upgrades.	PowerGen Middle East March 26-28 Abu Dhabi
